

Example of patient or legal guardian consent to the publication of documentation

“I hereby consent to the publication of photographs and/or other documentation in the article submitted to the *Ortodoncie* journal, without the right to financial remuneration. I have been informed about the purpose of the use of my personal data and I also agree to their possible modification, or anonymisation, for the purposes of the article. I have been informed that this data will only be used in connection with the study, and about the legal framework under which I am providing this data. I am aware that I may ask the author to see a draft of the article before publication.”

For minors the consent is granted by parent or legal guardian.
